

## Consultants and Senior Associates

At Voluntas Group we work to Increase the quality of living and the sustainability of doing business. We work with public actors, private enterprises and investors from around the world in shaping investment strategies, business development and policy with a meaningful impact.

We are looking for consultants and senior associates to join our private sector team.

Voluntas Advisory is a management consultancy firm within Voluntas Group, driven by creating business strategies with a purpose beyond profit and developing policies for a sustainable impact. By working in the intersection between state and business, the interplay between society and market, and the synergy between citizen and consumer, we...

- ... create purposeful business and branding strategies
- ... produce enlightening market research and impactful analyses
- ... deliver intelligence based, enlightened and innovative policy making

We have our HQ in Copenhagen and have two office openings in process outside Europe. Our area of work is Europe, Africa and the Middle East. Voluntas Advisory's clients include private companies, governments, international organizations and NGOs. As we continue to grow, we are looking for consultants to join our team.
