

Senior Associate for Voluntas Advisory

The Position in Brief

We are looking for a Senior Associate to join our Tunis office. The purpose of the position is to support our work for clients in Libya and beyond with insights. The Senior Associate will be responsible for liaising on a daily basis with our clients, support our ongoing projects with project management, analytics and insights. The candidate should have strong research credentials, as well as experience with Libya, stabilization efforts, and countering violent extremism.

Main Responsibilities

- Engage with our existing client on a daily basis, scoping out research assignments, troubleshooting and managing stakeholders.
- Lead analytics and insights generation through report writing, powerpoint presentations, etc.
- Support management of projects in Libya and broader North Africa, including ensuring timely delivery of projects
- Support business development identifying and seeking out opportunities and new clients,

Key Personal Characteristics

- Shows strong interest in solving development problems for some of world's neediest people by applying data-driven approaches and by contributing with these insights to the public conversation
- Aspires to improve the effectiveness of traditional development work
- Considers team work the best opportunity to learn and to contribute to the learning of others
- Works independently and proactively by taking ownership of tasks with multiple deadlines
- Strives for professional excellence in all work

Key Qualifications:

- Minimum 3 years' experience in project management, preferably in managing research and analysis projects and at least 1 year work experience related to Libya, stabilization efforts and/or countering violent extremism
- Experience engaging with a diverse array of stakeholders with varying interests, in the context of developing research and analysis objectives
- Familiarity with a range of qualitative and quantitative research methodologies and research design
- Proficiency in Arabic is considered an asset

How to apply

Please prepare a resume and cover letter answering the following questions:

1. Explain in short your take on the current situation in Libya
2. Reflect on a time in the last few years when you felt genuine excitement about a project
3. Describe the three most important attributes you would bring to Voluntas Advisory

Please submit the application to jobs@voluntasadvisory.com. Selected candidates will be invited for a set of experience and case interviews. For any inquiries about the position feel free to contact Mathias Esmann mes@voluntasadvisory.com.

About Voluntas

Based in Copenhagen, Voluntas Advisory is a management consultancy firm driven by creating business strategies with a purpose beyond profit and developing policies for a sustainable impact. By working in the intersection between state and business, the interplay between society and market, and the synergy between citizen and consumer, we...

- ... create purposeful business and branding strategies,
- ... produce incisive market research and impactful analyses
- ... deliver insightful and innovative policy advice
